U.S. DISTRICT COURT
MIDDLE DISTRICT ALA

MOTION TO COMPEL

COMES NOW, Petitioner moves the Court to compel the Attorney General to provide to him a copy of the supposable transcript filed on or about June 26, 2008 as claimed by counsel, **Court Doc. No. 21, 21-2**. In support thereof, petitioner states as follows:

1. Petitioner request that the Court order the Attorney General to produce the Alabama Department of Correction's, Limestone Correctional Facility **Inmate Legal Mail Log** from on or about **June 26, 2008** to present, or any dates the Court deems appropriate which evidence will debunk counsel disingenuous under the guise to state slanderous remarks, attempting to project an appearance on the petitioner as being mendacious. Such is not true. Counsel is not, has not, and it is too easy to simply place a certificate of

service on a documents, and intentionally not serve petitioner attempting to take an advantage over pro se litigant.

2. In further support, petitioner attest under the penalty of perjury 28 U.S.C. 1746 that he has not, ever once, again, been served with counsel's pleading or this mysterious trial transcript.

3. If counsel has, filed this trial transcript petitioner is entitled to a true accurate copy under the Federal Rules of the Court.

WHEREFORE, because a Compel is pending, petitioner cannot ascertain what pleadings counsel has filed, because once again he has not served petitioner with a copy actually demonstrating a fraud upon the court stating a certificate of service, knowing intentionally that he is not, has not served petitioner with a true copy of his pleading. I swear that the foregoing is true and correct under the penalty of perjury 28 U.S.C. 1746.

Done this 14th Day July 2008.
